11.1.2 Qualifications and Selection Procedure for appointment to the posts in Medical Administrative Grade

<i>Post / Grade</i>	<i>(a) Educational and other qualifications</i>
11.1.2.1 Deputy Medical Administrative Grade	I. Officers with postgraduate qualifications listed in Appendix I or II of the Medical Service Minute are eligible to apply for the posts in Deputy Medical Administrative Grade mentioned in Appendix III. II. Should be a Medical Officer/ Dental Surgeon/ Specialist Medical Officer who has passed the Efficiency Bar Examination and has been promoted to Grade II with 8 years continuous service in the Department. (Period of 8 years will be computed from the date of entry to the Preliminary Grade) III Age Limit: Maximum age limit is not applicable as all the officers are already in the public service.
<i>Post / Grade</i>	<i>(b) Selection Procedure</i>
Deputy Medical Administrative Grade	I. When appointments or transfers are made to the posts in Appendix III; for the posts in Deputy Medical Administrative Grade of the special public health institutions mentioned in the items 21 to 38 in Appendix IV, priority will be given to the Medical Officers with an MSc or MD in Community Medicine and for the posts in Deputy Medical Administrative Grade of the other institutions mentioned in that appendix, priority will be given to the Medical Officers with an MSc or MD in Medical Administration. II. Vacant posts in the Deputy Medical Administrative Grade will be filled by way of annual transfer from among the officers who are in the said grade. III. In case, a vacant post cannot be filled by annual transfer, it will be published and filled through an interview based on a marking scheme approved by the Public Service Commission, from among officers who comply with the due qualifications. IV. Selection to the posts in Deputy Medical Administrative Grade should be made subject to a structured interview based on a marking scheme approved by the Public Service Commission. In awarding marks, seniority in Grade I and II is considered as a criterion.

<i>Post / Grade</i>	<i>(b) Selection Procedure</i>
Deputy Medical Administrative Grade	<i>Note 5:</i> Until such time the vacancies are filled by annual transfers, the Appointing Authority may make appointments on acting basis from among the officers with the required basic qualifications who are already in the Deputy Medical Administrative Grade. <i>Note 6:</i> As the Deputy Medical Administrative Grade is a new grade until the transfer scheme of the said grade takes effect, vacancies should be filled by way of advertisements as mentioned in 11.1.2.1. b (II) and (III).
<i>Post / Grade</i>	<i>(b) Selection Procedure</i>
11.1.2.2 Senior Medical Administrative Grade	I. Vacancies in the Senior Medical Administrative Grade other than the posts in Senior Medical Administrative Grade approved by the Cabinet of Ministers as end posts will be filled by annual transfers of the officers holding the posts in Senior Medical Administrative Grade. In the case where a post cannot be filled by annual transfers, it will be published and filled based on service experience and merit, upon the results of an interview held as per a marking scheme approved by the Public Service Commission. II. In an instance where a post in the Senior Medical Administrative Grade approved by the Cabinet of Ministers as an end post falls vacant, it will be filled by appointing an officer selected according to the order of merit of the marks obtained as per a marking scheme approved by the Public Service Commission, after calling applications from Senior Medical Administrative Grade Officers, through public notices. III. Until the vacancies are filled by annual transfers, the Appointing Authority may make appointments on acting basis from among the officers with the required basic qualifications who are already in the Deputy Medical Administrative Grade or Senior Medical Administrative Grade.

11.2 Specialist Medical Officer Grade (Specialist Medical Officer Grade/ Specialist Dental Medical Officer Grade)

Category of Medical Officers/ Dental Medical Officers of the Government Health Service with the relevant postgraduate qualifications who have obtained the Board Certificate as Medical Specialists (Specialist Medical Officers/ Specialist Dental Medical Officers) from the Postgraduate Institute of Medicine, University of Colombo and who were promoted to the Specialist Medical Officer Grade of the Ministry of Health.

According to the need identified by the Ministry of Health, fields of specialities and number of specialists will be determined by a Committee with the chairmanship of the Director General of Health Services. The Specialist Medical Officer leads the team of the respective unit with the ultimate goal of attaining the best possible standard care to the patient with the available resources.
